

REMARKS

In the Advisory Action dated July 12, 2005, concerning an After Final Amendment dated June 23, 2005, it was stated that claims 21-23 are allowed and claims 10, 14 and 16 are objected to. Claims 1-9, 11-13, 15 and 17-20 were rejected and claim 24 was withdrawn from consideration. It was also stated that the After Final Amendment would not be entered because it raises new issues and is not deemed to place the application in better form for appeal.

However, it was stated that newly proposed or amended claims 2-18, 21-23, 25 and 26 would be allowable if submitted in a separate timely filed amendment canceling the non-allowable claims. Applicant has attended to doing so. Therefore, it is respectfully submitted that all of the pending claims are now in condition for allowance. Such allowance is earnestly solicited.

Respectfully submitted,
